RE: 18-9552, Bray v. Spencer
Dist/Ag docket: 07782-11

Dear Mr. Bray:

The court has received and docketed your petition for review. Please note your case number above. Copies of the Tenth Circuit Rules, effective January 1, 2018, and the Federal Rules of Appellate Procedure, effective December 1, 2017, may be obtained by contacting this office or visiting our website at http://www.ca10.uscourts.gov. In addition, please note all counsel are required to file pleadings via the court's Electronic Case Filing (ECF) system. You will find information regarding registering for and using ECF on the court's website. We invite you to contact us with any questions you may have about our operating procedures. Please note that all court forms are now available on the court's web site.

We have served the petition for review on the respondent agency via electronic notice using the court's ECF system. Petitioner must serve a copy of the petition for review on all parties, other than the respondent, who participated in the proceedings before the agency.

The agency order was not included with your petition for review/application for enforcement. Please submit a copy to the court forthwith.

Attorneys must complete and file an entry of appearance form within 14 days of the date of this letter. *See* 10th Cir. R. 46.1(A). Pro se parties must complete and file the form within thirty days of the date of this letter. An attorney who fails to enter an appearance within that time frame will be removed from the service list for this case, and there may be other ramifications under the rules. If a respondent does not wish to participate in the appeal, a notice of non-participation should be filed via ECF as soon as possible. The

notice should also indicate whether counsel wishes to continue receiving notice or service of orders issued in the case.

The court will forward all forms, letters and orders to you via US Mail. If you wish to change the method of service from US Mail to email, you must make that request in writing and provide this office a valid email address. Requests to change the method of service must come via regular US Mail and may not be emailed. Please note that by providing the court with a valid email address you consent to receive all orders/letters issued by the court via "notices of docket activity" (NDAs). Paper copies will not be mailed to you. When you receive an email "NDA" a link to the order/letter that has been issued will appear in the notice; you are entitled to one free "look" at the document and should download it at that time. The document will appear as a PDF so you must have the ability to view PDFs. Finally, if your email address changes you must notify the court immediately. It is your responsibility to maintain your email address.

You will receive further instructions regarding prosecution of this matter from the court within a few weeks.

Please contact this office if you have questions.

Sincerely,

Elisabeth A. Shumaker
Clerk of the Court
